

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 1632 – SB 1626**

January 16, 2020

**SUMMARY OF BILL:** Expands the methods by which a custodian of public records may provide certain required responses to requestors. Deletes a reference to the governing body of a municipality and replaces it with a reference to the nonprofit or association as it relates to annual audits of the financial affairs of such organization.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Tennessee Code Annotated § 10-7-503(a)(2)(B)(iii) provides that if a custodian of public records is not able to provide the requested records promptly, the custodian is required to complete a Public Record Request Response Form, as provided by the Office of Open Records Counsel, stating the time reasonably necessary to produce the requested information, and provide such form to the requestor.
- The proposed legislation authorizes custodians to provide such information in writing to the requestor.
- Authorizing such information to be provided in writing will not result in any significant fiscal impact to state or local government.
- Replacing a reference to the governing body of a municipality with a reference to the nonprofit or association will not result in a significant fiscal impact to state or local government as the cost of audits are paid by the nonprofit or organization.
